

Dear Parents, Carers, Guardians, children and families

Wow our parents have many talents, but who knew we had so many amazing cake-bakers! The Coronation of King Charles III was celebrated in style with parents and children enjoying the afternoon together, sharing really beautifully-made cakes ...

Brilliant baking!

Children wore patriotic colours and made amazing crowns ...

Everyone enjoyed baking and decorating coronation biscuits, as well as creating colage portraits of the King.

Belchamp St Paul enjoys reading and has its first Library Van visit

Evie went the extra mile to make sure the insects in her garden are well cared-for: she created a magnificent abode for them! Well done, Evie, you have impressive architectural skills!

Belchamp St P school is so keen on reading for pleasure... and has had its first Library van visit! Choosing and borrowing books independently was such fun on Wednesday...

Communion Event – message from Rev Gill

As a church school, we like to give opportunity for children to experience some of the practices of the Church of England. On Tuesday 16 May (nb this date may have to change due to SATs) as part of Collective Worship we will have a short service of Holy Communion but instead of sharing bread and wine, we will share bread and grapes! The children are invited to get involved in the service and some are preparing to help act out the story of The Road to Emmaus. If you would like to know more about this service please do speak to Rev Gill.

Dates for the Diary

16th May – Communion Event for children - Communion event 16.5.23 (sharing bread and grapes together) tbc
